**CRAIG, Thomas**  
**January 29, 2007**  
**REQUEST FOR MODIFICATION**

**CAUSE**

The defendant violated the terms of his supervision in that on January 14, 2007, he was arrested by officers of the Omaha Police Department after using alcohol and operating his motor vehicle. He refused all sobriety tests resulting in his arrest for driving under the influence, refusal of preliminary breath test and refusal of legal breath test. The matters are pending in Douglas County Court. In addition, he admitted to U.S. Probation Officer Kit Lemon that he has been using alcohol on an occasional basis since his term of supervision commenced. In lieu of a request for revocation of probation, the defendant has asked that the terms of his supervision be modified, as recommended by the U.S. Probation Officer.

The defendant asks that the costs of supervision be remitted in lieu of the fact that he will be responsible to pay for the costs of electronic monitoring.

Respectfully submitted,

Kit Lemon

**Waiver of Hearing to Modify Conditions  
of Supervision**

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Supervision. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following additional condition:

The defendant shall participate in a program of home confinement for a period of 4 months, and abide by the all components of the program, including electronic monitoring. The defendant shall pay the costs of electronic monitoring as directed by the U.S. Probation Officer.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to removal of the following additional condition:

"The defendant shall pay for the defendant's supervision at the then current rate unless reduced, commensurate with the defendant's ability to pay, in accordance with a schedule fixed and determined from time to time by the probation officer and approved by the Court."
